PROGRAMS/SERVICES

The Mid-Ohio Regional Planning Commission (MORPC) is a voluntary association of local governments in central Ohio. Local government representatives sit on the Commission board, which is the policy-making body of the organization.

MORPC serves as a regional planning agency and has the capacity to be responsive to the region's needs. Our programs and services address issues facing central Ohio including transportation, environmental concerns, community development, housing and energy conservation.

MORPC has operated housing services for homebuyers for more than 17 years, offering free counseling for renters and homebuyers, mortgage counseling and financial literacy counseling.

MORPC's housing services program offers a variety of services including education, counseling and financial assistance services to residents of central Ohio. MORPC is a HUD- approved housing counseling agency.

TESTIMONIALS

"This has been a wonderful program and you have been extremely helpful to me throughout this situation. I hope that everyone can appreciate these services as much as I do. Please pass this along to your superiors and others. All it takes is a little patience, because hope is on the way."

- S. Chandler

"I have had the pleasure of working with MORPC staff, and have found them to be consistently pleasant, very helpful and dedicated to assisting their clients with a degree of professionalism which I believe are qualities that are very hard to find today."

-D. Ross

"I send many thanks and much gratitude for all the work that was done on our home this year. What a wonderful program you organize to help others who haven't the resources to be able to do it themselves."

- M. Schroeder

Funding for these programs is provided by various sources including the U.S. Department of Housing and Urban Development, Ohio Housing Finance Agency, Franklin County, the City of Columbus Department of Development and Third Federal Savings and Loan.
