It's that time of year again....We thank you for your support and participation in last years garage sale which brought thousands of shoppers to the Granville area for over 60 quality yard and garage sales around the Village. As you know, LCCH has been working hard organizing this event to raise funds for programs that help our friends and neighbors in Licking County who are homeless or facing housing challenges. With your support we can make an even bigger impact! Mark your calendars for May 5, 2018, **rain or shine!**
